

GenSpark Earns 2022 Great Place to Work Certification™

Alpharetta, GA — GenSpark is proud to be Certified™ by Great Place to Work® for the first time! The prestigious award is based entirely on what current employees say about their experience working at GenSpark. This year, 92% of employees said it's a great place to work – 35 points higher than the average U.S. company.

Great Place to Work® is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention and increased innovation.

“Great Place to Work Certification™ isn't something that comes easily – it takes ongoing dedication to the employee experience,” said Sarah Lewis-Kulin, vice president of global recognition at Great Place to Work. “It's the only official recognition determined by employees' real-time reports of their company culture. Earning this designation means that GenSpark is one of the best companies to work for in the country.”

Vishak Mallya, COO of GenSPark:

“I am extremely excited to share with you that GenSpark is a certified Great Place to Work! As we grow at a rapid pace, we're thankful for every #GenSparker who's part of our journey. Happy to have a workplace that enables each one of us to be their best. Thank you #GenSparkers, we made it! The journey continues...”

According to the survey, GenSpark ranked statistically higher in several important categories, including:

- *95% of respondents said GenSpark management promotes inclusive behavior, avoids discrimination, and is committed to ensuring fair appeals.*
- *84% of respondents said there is balanced treatment for all people in the distribution of tangible and intangible rewards.*
- *87% of respondents value their contribution to the company.*
- *98% of respondents felt they were fairly treated regardless of their gender.*
